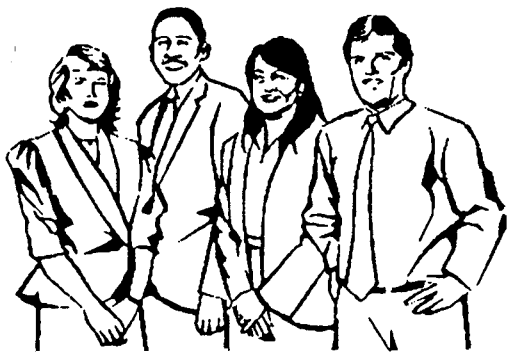
The Awareness Academy

The Rocklin Police Department's Community Awareness Academy will provide community members with an inside look at local law enforcement. During the academy, students will be introduced to Community Oriented Policing and Problem Solving, K-9 Unit, Investigation Unit, Records Unit, Communications Center, and a variety of other Public Safety functions. Other topics include: Search/Seizure, Gangs, Narcotics, and a tour of the Police Department.

The six (6) week academy is designed to give citizens an overview of the Police Department's functions, policies and procedures as well as to get them involved in the community.



Academy classes are taught by police personnel. Participants will have the opportunity to meet with the Chief of Police and staff members. The Rocklin Police Department hopes there will be a greater awareness and understanding of law enforcement's role in the community through the education provided by the Community Awareness Academy.
